

Your Health Net Elect Open Access Plan

MAKE AN INFORMED CHOICE FOR YOUR FUTURE HEALTH CARE

Your employer is offering Health Net Elect Open Access (EOA) as a plan option this open enrollment.

Your benefits – you decide

Your Health Net EOA plan is flexible, yes. But that's just the beginning. When you need care, you choose which benefit option is right for you.

- **Through the HMO option**, your primary doctor will coordinate your routine and hospital care. Plus, you'll get fixed-dollar amount copayments for most services.
- **Through the PPO option**, you have the freedom to see specialists in the PPO Network for exams and evaluations without referrals.
- No need to file claim forms (except for out-of-network emergency care).

When it's time to pick a doctor

Having the right doctor can be key to getting on a healthy path – and staying that way. When you enroll in your EOA plan, you'll pick a doctor. Here's what that process looks like:

1. Choose a participating physician group (PPG) from our HMO network.
2. Then choose a primary care physician (PCP) from that group.

Each of your covered dependents can choose a different PCP and a different PPG to meet their needs.
