

SCHEDULE OF BENEFITS

DIRECT REFERRAL DENTAL PLAN*

HN Plus DHMO 150

This Schedule of Benefits lists the services available to you under your Health Net plan, as well as the co-payments associated with each procedure. There are other factors that impact how your plan works and those are included here in the Exclusions and Limitations.

During the course of treatment, your Health Net selected general dentist may recommend the services of a dental specialist.

Missed Appointments: If you need to cancel or reschedule an appointment, you should notify the dental office as far in advance as possible. This will allow the dental office to accommodate another person in need of attention.

*Your Health Net selected general dentist is responsible for coordinating your dental care, and if necessary, referring you to a Health Net contracted specialist, and will submit all required documentation for any necessary referral. For more information, visit www.healthnet.com.
